LIS

ANAL QUEEN

CHERI

Lis is determined to become porn's next anal queen, giving Hillary Scott, porn's current anal queen (and who has a spread later this issue), a run for her title. So she came to us at CHERI and had our photographer take some nasty pictures. Once her clothes are slowly stripped away, she pulls out a toy, and probes her ass. She takes it out, licks it, spreads her ass cheeks, and gapes her asshole. She probes her ass even deeper, rolls her eyes, cums and moans so loudly, our downstairs neighbors come up to see what's happening. But Lis keeps shoving that toy as deep as she can until she pulls it out, sucks on it, and licks off her sweet ass juices. She rolls over on the floor, opens her cheeks wide open, and shoves her toy in her ass again. This girl really has what it takes to be a butt-fucking queen. Hey Hillary Scott, Lis is waiting to take your crown away! Better get your ass in gear!

LEAN MEAN SALLY

Dear CHERI,

I'm a single, attractive, 26-year-old female who reads your magazine regularly because I'm bisexual and your pictorials are the hottest on the market. Last week, the company I work for sent me to Boston to meet with a prospective new client and his secretary turned out to be a fellow high school graduate.

I didn't recognize Sally at first. Besides the eight-year gap, she had lost a tremendous amount of weight and undergone a complete makeover. It was hard to believe that she was the same chubby girl I'd teased back in twelfth grade gym class. I would have thought that she'd want nothing to do with me, but just the opposite seemed to be true. Not only did she give me a powerful bear hug, she even invited me to her house for dinner. I would have declined except that my old school chum had been transformed from a mousey-haired, rotund slob into a beautiful blonde bombshell, and I wanted to find out more. Well, I found out all right! Following a scrumptious gourmet meal, Sally invited me to join her in the hot tub. Since I hadn't brought a swimsuit along, and Sally's old ones were way too large, she suggested that we both bathe in the nude.

"You wouldn't feel comfortable if I wasn't naked, too," she giggled as she started stripping down. "Besides, I normally lounge around in the buff anyway. Now that I'm slimmer I'm much more at ease with my body than before."

I could understand why. Sally had a figure that any man or woman could appreciate—large, round breasts, lush hips, sinewy, well-formed thighs—just the kind of voluptuous babe that I'm attracted to. Sally was checking me out, also; while we chatted she kept staring at my

When I wormed two fingers into her soupy gash, and swept my tongue across her swollen clit, Sally went totally insane

upturned, C-size boobs and long, willowy legs. I don't know what made me apologize for my rude behavior in high school. Maybe it was the three glasses of wine I'd had—or maybe it was my intense desire to tweak Sally's puffy pink nipples, which floated enticingly above the swirling water.

"There's no need for that, Britney," she purred, lightly running her fingertips along my bare shoulder. "To be honest, I've always had a crush on you. I guess even back then I was bi and didn't realize it. I hope my little confession doesn't embarrass you."

In response, I gently tugged her closer and slithered my tongue into her partially opened mouth. Sally didn't resist. Within seconds we were French kissing passionately, and gliding our curious hands over each other's smooth, wet flesh. Our arousal was so mutual that we became fiercely competitive. One minute I'd be nursing lustfully on Sally's bobbling milk bags while groping her succulent buttocks, and the next she'd have her face wedged deep in my cleavage as she caressed my clean-shaven labes.

Eventually, I maneuvered Sally up onto the deck, splayed her shapely gams, and hunkered down to nuzzle her thick forest of brown pubic fur. When I wormed two fingers into her soupy gash, and swept my tongue across her swollen clit, Sally went totally insane. Grabbing hold of my short, dark curls, she humped her velvety loins at my searching lips like she was making up for lost time. The bitch nearly drowned me in cunt syrup! By the time she slapped her trembling thighs against my bobbing head and screamed in ecstasy, I was practically unconscious! Luckily, Sally let me catch my breath before reversing our positions and chowing down on my agitated snatch. Her oral technique was magical. Utilizing only her tongue and teeth, Sally made me explode twice! I quickly understood why she had refrained from incorporating any finger action; Sally had something much larger and harder in mind for my insatiable snatch—a two-foot long, double-headed dildo that she hauled out from beneath a pile of folded towels! The mere sight of the thing got my juices flowing again in a hurry, but Sally decided to be a tease. First, she crouched beside me and slowly dragged that enormous white snake over my tits and belly, then sucked one of the bulbous knobs down her throat while rubbing the other across my pulsating pearl. By the time Sally locked my heels around her waist, impaled both of our pussies simultaneously on the monstrous toy, and threw her svelte hips into motion, I was going insane with lust. God, that woman could fuck! Pinning my knees back, Sally brutally hammered my defenseless love-tunnel though a series of explosive orgasms that made me dizzy before finally hitting her peak and collapsing in my arms.

You can bet I'll never make rash judgments about people again—at least not until I've slept with them anyway!

FRIENDLY FIRE

Dear CHERI,

I'm writing this letter because I thought your readers would be interested in hearing about my experience, but I have to tell you right from the start that if this kind of thing can happen to me it can happen to anybody. I'm not anything special—simply a balding, 32-year-old divorced man with a slim build and a dead end job managing a convenience store. Why anybody would choose me to be part of a threesome is still a mystery.

A few weeks ago my younger sister and her husband drove down from New Hampshire with another couple, Wendy and Alex, to take in the races and they decided to pay me a visit.

Wendy and Alex seemed like a nice, young, down-to-earth couple. Alex was in the import business, and Wendy was a schoolteacher. On their last night in town, Alex approached me in the parking lot of the restaurant where my brother-in-law had just sprung for dinner. Alex asked me about joining him and Wendy in bed. He was quite up front about it. Wendy was attracted to me, she enjoyed having two guys at once, and he didn't mind sharing.

"Here's where we're staying, Ian," he said, handing me a piece of paper. "Drop by later and we'll have some fun."

It was difficult to keep a straight face while saying good-bye to my family because I honestly thought that they were playing a practical joke on me. Still, a man doesn't get an opportunity like that everyday, and Wendy was cute—conservatively speaking—although her prim white blouse, starched denims, and sensible shoes pretty much disguised the contours of her tiny, compact body, which left me only her soft, round face, and short, jet black hair to make any assessment of her beauty.

> Wendy's moist, fuzzy sexpit was as tight as it was tasty and the best part was that she met me thrust for thrust without missing a beat on her husband's driving cock!

In the end, I decided to give it a shot and an hour later I was fidgeting nervously in front of their room. Alex, wearing a simple terrycloth robe, graciously ushered me inside where his wife lounged seductively in a chair looking quite different than she had a few hours earlier. Her dark mane had been styled into a halo of ebony ringlets that accentuated her brilliant blue eyes and full mouth, and her sheer, fire engine red peignoir seemed to form itself around her small, bare breasts, saucy, nude hips, and nylon-covered legs.

Wendy didn't waste any time with formalities. Cooing something about being glad that I'd accepted their invitation, she sauntered over, melted into my arms, and French kissed me passionately. Her ardent advances quickly put me at ease. By the time she freed my rising penis, floated to the carpet, and drew half my length into her mouth, I had almost forgotten about Alex—until he stepped up naked beside me and guided his wife's free hand toward his erection. I nearly jumped out of my skin! Somehow I held it together, and I'm glad I did. That little tramp switched back and forth between our two dicks with ease, bobbing on the first one then the other, while pausing occasionally to munch on our hairy ball bags. Once she had brought us both to the brink of ejaculation, Wendy shed her slinky gown and sprawled out on the bed. Alex immediately hopped up to shove his whopper back down her craw, but since I was still struggling out of my clothing, I dove face first into her wet, hairy crotch and went to work on her pulsating pearl before slamming my pecker up her oozing box.

"Fuck me, Ian!" Wendy cried.

I really cut loose when I heard that. Wendy's moist, fuzzy sexpit was as tight as it was tasty and the best part was that she met me thrust for thrust without missing a beat on her husband's driving cock! Naturally, I couldn't endure that kind of intense stimulation for too long, and soon my aching balls demanded release. Suddenly, Wendy shoved me back, flipped Alex over, and mounted his veiny joystick.

"Nail my ass, baby!" she hissed over her shoulder, leaning forward so that Alex could pry her raised glutes apart. "I want you both inside me!"

Man! Double penetration was something I'd only seen in porn movies! Using the dew dripping from Wendy's furrow to grease my dobber, I eased my pecker into her tiny rectum, and bucked my hips. That's when all hell broke loose! Wendy released a high-pitched wail, Alex bucked upward, and in a flash the three of us were gyrating in unison. A split second after I jettisoned my load in Wendy's heated bowels, Alex fired his spunk barrage up her cunt, which sent the shuddering pixie spiraling through a wave of violent mini orgasms that left her limp, yet satisfied.

Wendy and Alex taught me a valuable lesson that night—life is too short not to take chances.

DOIN' IT DOGGY

Dear CHERI,

I'm not what anyone would call an animal lover, but I do appreciate a sexy woman and will do whatever it takes to get a piece of hot tail. Case in point: Trudy, the curvy, 20 something blonde divorcee who moved in on my side of town six months ago. Of course, I didn't know her name when I first saw her walking her golden retriever to the super market every time I'd go in there for groceries.

Trudy's a real fox—long, bright yellow hair, sparkling blue eyes, and a dynamite bod. I'm talking high, round, 40DD boobs, a firm, solid fanny, and legs that go on forever. I pop a boner whenever I'd see her strutting around on the other end of that leash decked out in her ultra tight tank top, and short shorts. So why didn't I just march up and introduce myself? I'm a single, fairly attractive guy and I didn't see any obstructing wedding ring on her finger. To be honest, I didn't think she even noticed me, and since she seemed a bit out of my league to begin with, I figured I needed an angle. That's why I went to the pound and adopted a mutt that I could use as a ruse to meet Trudy.

Two weeks ago I walked Fido up to the dog park in the hopes of running into my future conquest. Sure enough, two minutes later Trudy arrived dragging her bitch behind her. I played it cool, and when she cut her animal loose, I unleashed Fido, and sat down on a bench next to her. The conversation started out casual. We introduced ourselves and talked about dogs (I faked a lot of it). I was surprised to discover that Trudy had noticed me at the store, which I took as a good sign. The clincher came when Fido, that randy old cur, mounted Trudy's dog in the bushes. I got all upset, but Trudy only laughed.

"Relax! Georgina's fixed. Besides, I think they have the right idea. Why don't we separate those two and go back to my place for a cup of coffee?" she cooed, boldly reaching over to squeeze my bulging basket.

Well, we never got to the java—or made it to the bedroom for that matter. The instant we entered her apartment Trudy was all over me! We both dropped our dogs' leashes and our pets scampered off to some remote part of Trudy's home. Trudy jumped into my arms—knocking us both onto the sofa—shoved her tongue into my mouth, and began clawing at my jeans. In a flash, we were rolling around naked on her living room floor like a couple of sex-crazed beasts. The first thing she did was lay me out and suck me off. No shit! Without saying a word, Trudy knelt above my wavering ten-incher, lapped at my flared knob for several seconds while gently massaging my raging balls, and then swiftly swallowed me whole. I probably would have shot my load right away, thanks to the tremendous suction she applied to my rod, except that she kept pinching the base of my cock to prolong the exquisite agony of her oral attack until she was ready to gulp my mulch. The most remarkable thing, however, was that she didn't stop bobbing on my johnson, even after I filled her tummy with jizz, and once I was fully erect again, Trudy begged me to fuck her—you guessed it—doggy style.

I pulled out and sprayed my nut pudding all over her quaking ass mounds

The spectacle of Trudy's wiggling, solid backside, and her pulpy, clean-shaven pussy swaying beneath those awesome, fleshy half-moons was tempting, but the scent emanating from that succulent, pink pouch was absolutely irresistible. Hunkering low, I parted her labes and furiously lapped her moist slice. Trudy went ballistic! She crushed her massive jugs into the cushions, ground her syrupy snatch back onto my whirling tongue, and moaned hysterically.

"Ooooo! Ralph!" she finally cried, bracing her forearms against the back of the sofa. "I can't stand it anymore! Fuck me, baby!"

I did that all right! I looped my arms around her trim waist to grab her dangling tits and crammed my full length up her leaking twat. Trudy's athletic hips immediately went into high gear, making it easy for me to bang her through two wild, screaming orgasms before I pulled out and sprayed my nut pudding all over her quaking assmounds.

The sad part of my story is that apparently Trudy lied about her pooch being safe, and now I'm stuck with Fido, and a litter of puppies. I hope the little bastard enjoyed himself. I know I sure did!

EVE

GOOD GIRL GONE BAD

Eve is one of those girls who seems innocent but is anything but. By day, she's a super conservative corporate suit wearer. By night, she's a real loose skank who craves the meat. She picks up the new guy from the office and as soon as they get to her place, her clothes come off, and her mouth is on his stiff cock. She sucks on that rod hard until he explodes a huge gush of gash in her mouth. She swallows his jizz, pulls her thong to side and rides his cock. "Fuck me good, gape my pussy!" she demands. He grabs her ass, strokes her up and down, and shoots another hot load up her moist cunt. When she gets up, her pussy squirts with her warm, sweet juice. She sucks his cock off, licking her cum off his still stiff cock, and tells him to leave. Eve needs alone time to finger fuck her clit. We wouldn't mind being the next notch on her belt!

TART OF THE YEAR

CONTEST

Tarts can either be bitter or sweet, but to be a CHERI Tart Of The Month, a girl must be sexy and hot. And that's what each of this past year's Tarts possessed, our most awesome crop of CHERI Tarts ever! Who can forget Shay Laren's (July) mammoth mams bursting out of her barely there bikini? What about Euro porn star Angel Dark (February) toying her meaty Slovak twat? Big boob Jaime Hammer (November) was another tasty Tart we had dreams of burying our cocks between her enormous cans. Eastern European hottie Tera Bond (August), hands down, the tightest ass of any Tart this year. Celeste Star (March)...that face, that body, wow! That's all we have to say about her. Now here's your chance to have your say on who should be awarded CHERI's coveted Tart Of The Year. Here are the rules: fill out the form below, check off the girl you want to see win CHERI Tart of the Year, and mail it to the address below. Remember, these girls are depending on your votes, so vote today. And don't forget to come back again next month to see if your favorite Tart graces our centerfold once again for the ultimate girlie magazine prize. Tell your friends about it!

Mark your choice and send it in to: CHERI TART OF THE YEAR CONTEST, 801 SECOND AVENUE, NEW YORK, NY 10017. Hurry, the winning model will be featured in next month's Holiday 2006 issue!

KERI SABLE

DECEMBER 2005

BEST FEATURE: Tight teen ass!

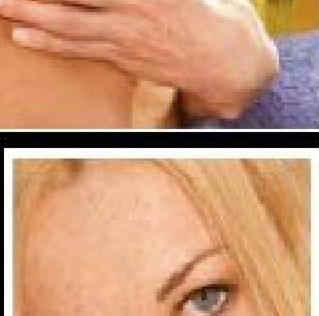
We like petite porn babes like Keri Sable. Just imagine the different positions and poses we can put her in! Keri's one of our favorites Tarts; we went through boxes of tissues putting together her layout. We still don't know what happen to the rest of the pictures, but there's a big reward for their safe return!

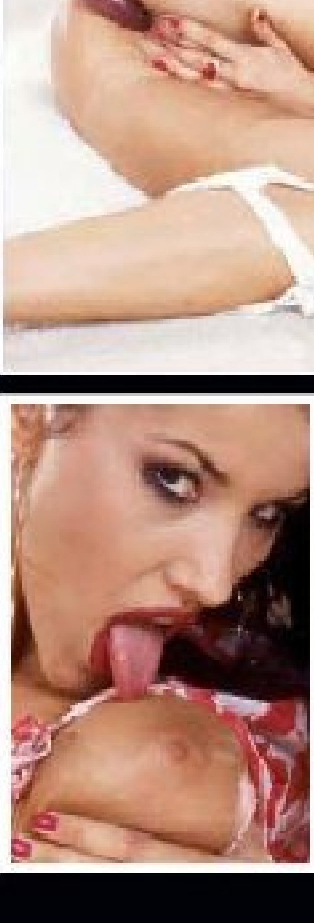
ANITA DARK

JANUARY 2006

BEST FEATURE: Big boobs!

When Anita flew back to Europe shortly after her photo shoot, she met a cute stewardess on the plane. She happened to have a toy on her and . . . well, lets just say Anita is now a member of the Mile High Club!





ANGEL DARK

FEBRUARY 2006

BEST FEATURE: Take your pick. This girl is perfection!

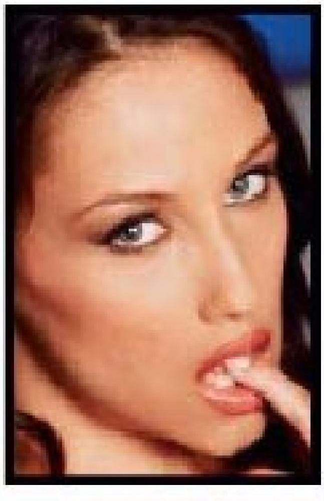
Porn star Angel Dark can't help but make boners rise at attention. She was raised to be a lady but every time she enters a room, she often wondered why men didn't get up. "I understand now," she giggles. "They are up at attention, and that's a big compliment to give to a lady."

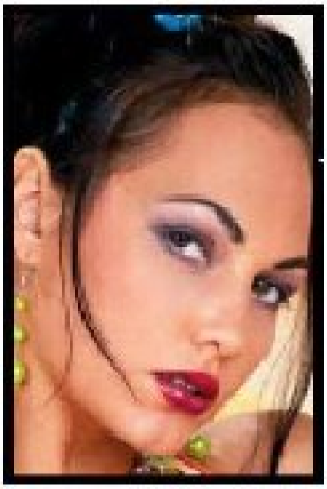
CELESTE STAR

MARCH 2006

BEST FEATURES: Long brown hair, perky tits, long legs, tight pussy!

Celeste Star has become one of most popular porn stars to emerge in 2006, thanks in large part to her March centerfold appearance. "Please vote for me. And if there's anything I can do to thank you guys at CHERI, please let me know. I'm so grateful to you." Oh, we can think of a few ways you can thank us, Celeste!





GABRIELLA

APRIL 2006

BEST FEATURES: Eyes, lips, wet pussy! Gabriella lights up any room she enters and the day she came to shoot her layout at the CHERI offices, our photographer couldn't help notice what a sweetheart she is. "She's the most awesome girl I've ever shot. Attentive, fun, sexy—the best." Translation in guy language—he really wanted to fuck her!

MARTHA

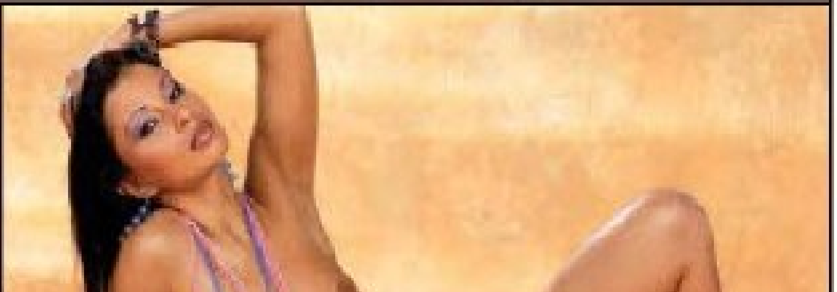
MAY 2006

BEST FEATURES: Goddamn, this girl is hot! Hands down, the sexiest girl we shot this year is Martha. What more can you say about a girl who loves porn, is into chicks, and tried out every sex toy we had lying around our office. Let's just say, our office walls are stained with a reminder of Martha's visit that one very special day last spring.

SHAY LAREN

JULY 2006

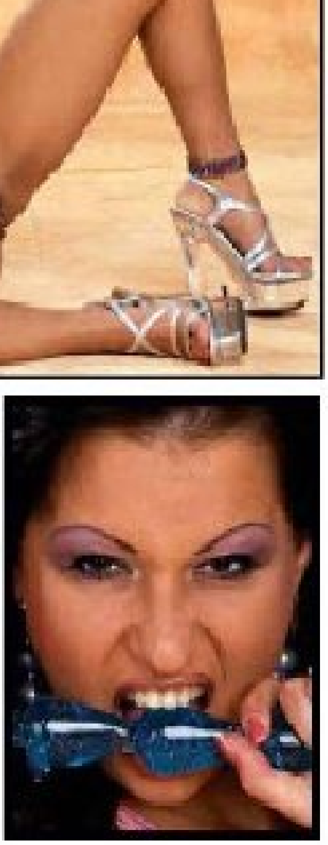
BEST FEATURES: WOW, WOW, WOW! This is Shay Laren. Shay can do anything she wants and get away with anything she wants because she's a hot chick. Shay can boss us around and treat us like her bitch. Shay says if we do what she tells us to do, she will let us play with her. Shay wants everyone to vote for her for Tart Of The Year. Shay can have anything she wants because Shay is the hottest girl we've ever seen!

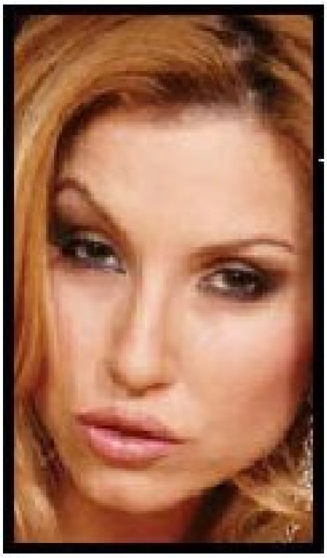


TERA BOND

AUGUST 2006

BEST FEATURES: Tight ass, hard body!
So was Tera able to stop the evil cunt Golden Boob from her plot to rid sexual freedoms throughout the world? "I knew my strap-on would do the trick. Once I whipped it out, Boob rode me, anally! Then she escaped, but not before she left a gooey trail of cum that will surely lead me to her." The plot thickens—so do our cocks!





JAMIE LYNN

OCTOBER 2006

BEST FEATURE: Massive mams!

Jamie Lynn has appeared in a lot of magazines this year but her favorite spread was in CHERI Magazine. "I was so excited to be CHERI's Tart Of The Month. Now I have a shot at being Tart Of The Year. Wow! The other magazines expected me to do 'favors' to be their centerfold, but the CHERI guys would never expect a girl to do that." Nah, we would never expect a girl to do that. (Wink)

JAIME HAMMER

NOVEMBER 2006

BEST FEATURES: Big tits, pretty face, big tits, lean body, big tits, trimmed pussy, big tits! Jaime is a favorite of ours here at the CHERI offices. She's an incredible looking girl who had no problem getting naked once the camera started clicking away. She fingered herself, shot a load of cum across the room, and fondled those big, luscious tits. She lives for and loves sucking on those girls, and we love her for being a very good girl.

TESTINOL

FOR GIGANTIC CLIMAXES!

For men who want to pour out hot jets of cum over and over again, **TESTINOL** is a must! To return to the forceful, creaming cums of youth, **TESTINOL** is for you! It has been used by European men in the know for over twenty-five years. The extract works on the organ vital to producing rich, milky spurts of man juice. **TESTINOL** tablets are important for the health of male organs. Help your body stay young where it counts!

ROXY & ZAFIRA

STRAP-ON LEZZIES

Roxy and Zafira are girlfriends who also like the occasional meat. On a rare night when they couldn't find any willing cocks to probe their tight young pussies, Roxy and Zafira take matters into their own hands, and fuck each other instead. Not just with dildos, tonight they are bringing out the strap-on. Roxy, the younger of the two and the submissive, waits for Zafira to speak, spreads her legs for her, and opens up her twat. Zafira has to push it in, and finally enters Roxy's tight sweet hole, and fucks her hard. Roxy loves the pounding Zafira gives to her, and cums all over her equally sexy girlfriend. Soon, they're both all over each, sucking on each other's tits, and burying their tongues in their mouths. Zafira rolls Roxy over so Roxy is on top of her, sucks on her hard nipples, and fingers her ass, and Roxy releases another stream of her sweet girlie goo. It was better than getting fucked by a guy. We'd like to be the judge on that one, you two! ♦

ELEGANT ANGEL

INSIDE ONE OF PORN'S MOST INFLUENTIAL STUDIOS

Big Wet Asses 9

Elegant Angel is a brand recognized throughout the world. From vignette style shooting that began with the *Sodomania* series, to launching the careers of some of the most recognized directors in the industry, and—in one way or another—the brands of most of the top companies in the business today.

ELEGANT ANGEL

"Elegant Angel has from its inception been a labor of love for me," says Elegant Angel owner/director Patrick Collins. "Like most love affairs we've had our shares of ups and downs but through it all, we have been fortunate to have the continued support of fans throughout the world, and I'm very grateful for it.

"When I started filming, most movies were known as 'one day wonders'. I had so little actual experience I figured if I could shoot one scene in one day I'd have a better chance of succeeding," Collins says. "Shooting one scene at a time rather than trying to shoot an entire movie in a day has been one of the best decisions I've made, and though I have deviated from this on occasion, I still believe it is the best way to get the best product. The key to good movies is the amount of time and energy you put into it."

"Over the past couple of years we've worked very hard to return the Elegant Angel brand to being recognized as the brand that tries the hardest to give the consumer the best value for their money in the industry," Collins continues. "We're continuing to work hard in every area and that's a commitment we take very seriously. Many improvements have been made, but more are still to come. I have returned to my roots in directing and production."

With AVN and XRCO Hall Of Famer Collins back behind the camera alongside award winning directors William H. and Kami Andrews, there is no doubt porn fans will be counting on Elegant Angel for quality product for years to come.

ANETA

LINGERIE FREAK SHOW

Aneta loves trying on lingerie. Silk, satin or lace, g-string or throng, see-through or opaque, it doesn't matter. She loves how she looks in them, and loves it even more when there's someone around she can take them off for. She's lonely today, but that doesn't stop Aneta from stripping naked. She knows there will be millions of guys who will be looking at her pictures, jerking off their cocks, and that makes Aneta's pussy wet, thinking of all you guys who want to fuck her. Aneta is a horny girl, so she takes her glass dildo and fucks herself until she gets very wet. She wishes it could be your cock she's licking her sweet pussy juices off of, and then sucking you off until you cum in her mouth. Aneta is a freak and loves to fuck nonstop. What she really wants is a man who can fuck her good, morning, noon and night. We think we can make your dreams come true, Aneta!

CLAUDIA

THE GANG BANG GIRL

Claudia, on the hunt for man meat, meets a group of guys she thinks will do to fill her up—literally! Claudia is one of those crazy Czech nymphos, always on the lookout for fresh meat to stuff in her pussy, her ass, and her mouth. She promises these guys a time they will never forget, and before long, they are back at her place, naked and worshiping Claudia, a goddess among Euro porn stars. She orders them to fuck her good and stretch her holes, and fill them up with their sticky goo. She craves cock in her mouth, her pussy probed, and her tight ass to be reamed, hard and fast! They fuck her all night, making Claudia gush out her sweet juices all over her bed, which has seen its share of orgies, and girl-on-girl dyke trysts. When it's over, Claudia is left alone, naked and spread all over her bed. She doesn't remember their names or what they looked like. But the tingling in her loins is something she will remember for a long time to come!

EXOTIC DANCE CHAMPS

THE BEST OF THE BREASTS AT THE ULTIMATE NUDE DANCE COMPETITION

Photos by Bob Ferguson

ON THE ROAD

ATLANTA, GA

We'll take a tall glass of LUCY L'VETTE straight up!

DANCE THE NIGHT AWAY

We've seen a lot of exotic dance contests over the years, but only a handful have moved us so deeply that we started to spontaneously masturbate. It was kind of embarrassing since we don't have offices and other people around the building could see us jerking off at our desks. But that's okay—they're used to seeing that. Besides, we couldn't help ourselves. The Exotic Dancer National Championship was one hot pageant of jiggly boobs and perfumed pussies. The dance moves were so erotic, the shows so wild, the girls so hot, we simply couldn't stop ourselves—we just had to rub our dicks until they spewed all over our computer keyboards. It was a messy affair. Sponsored by the strip club industry's "bible," Exotic Dancer Magazine, the National Championships drew some of America's most beautiful and talented women, all of whom wasted no time strutting their stuff and flashing their muffs. The pageant featured hot naked girls rolling around in kiddie pools full of Jell-O, girls coating their nude bodies with glittery paint, and girls doing things so unspeakable with a bottle of chocolate syrup that even jaded pornographers like us blushed a little. It was a wild time—and we've got the stained underwear to prove it! Held at the Pink Pony in Atlanta (one of the greatest venues for nude entertainment anywhere in the world) the contest awarded prizes for best show, best personality, and best body parts as well as crowning overall winners. Dancers competed in either the Newcomer Division or the Master Division depending on their relative level of dance experience. The CHERI staff won first place in the Masturbator Division, just like we do every year!

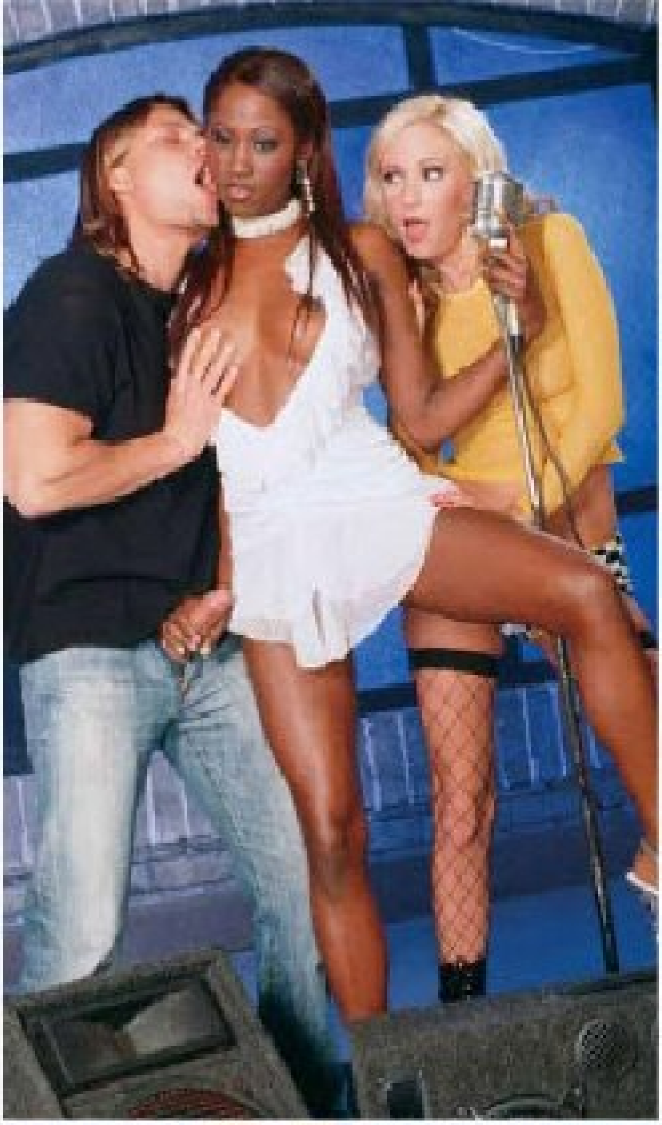
INDIA & HILLARY

COCKSTARS



India's new album, *Role Play*, is one of the hottest new records in the country. The album describes India's various personalities, including her freaky side—and that's just what India's groupies, Hilary and Alex, want to explore. They wait for India after her show and instantly get their freak on with the Nubian legend. Her dark, juicy berry, her tight black booty, and her perky brown nipples are too much for Hilary to take. She makes her move on India, goes down on her and uses her long wet tongue to lick India's sweet dark pussy, while Alex explores India's long lean body. After Hilary eats India out, India sits on top of Alex's cock, where he fucks her good and hard, drilling his stiff cock deep inside India's hot, aching pussy. Hilary has her way with India, sucking on her tits, and jerking her clit. Alex explodes inside of India, and Hilary sucks his creamy goo out of India's snatch. Sounds like music to our ears!

GINGER JOLIE

A REAL TEXAN, COWGIRL STYLE!

Interview by Acme Andersson

PORN VALLEY, CA—Take a gander while you can, boys, because Ginger has gone back to being the hottie next door. Granted, not next to our door, but she says she's called it quits and has gone back to college for a degree in broadcast journalism. No doubt these photos will come in very handy when trying to score that gig at *Entertainment Tonight*. At least we could quit hearing about Mary Hart's legs being insured for a million dollars. One evening of Ginger, and Mary's insurance policy would be cancelled.

When did you realize your calling to become a porn star?
Three years ago, December, is when I got into the industry and, I don't know, I've never really considered myself a porn star.

Have you ever danced professionally?
No, but I waitressed at a strip club.

What's your feeling about plastic surgery/breast augmentation?
I was blessed with naturally big boobs, so it's not something I would do, but at the same time I've always said that after I have kids I'm going to get my boobs done, so I'm not against it. All my girlfriends have them.

What's the best thing about being a porn star?
The thing that I enjoyed most about it was the shooting and running my website allowed me the freedom and flexibility during the day to do different things. You know, if I wanted to go back to school or do other things, it gave me a lot of flexibility I think. Unlike doing a 9-5 job everyday.

Photos by Thomas Ritter www.suze.net

What's the worst thing about being a porn star?

I think how society views it, because America, unlike Europe, is so uptight about nudity that it's just considered such a bad thing. I really appreciate a beautiful woman, but at the same time society doesn't. It's just viewed upon so negatively, I think that's the worst part about it.

What's the last concert you went to?

The last concert I went to was Dierks Bentley, a country band. It was in Hollywood, I don't remember the venue.

What's in your CD player right now?

Good question, let me turn on my car. You're going to laugh when I tell you what I've been listening to. I have a lot of girlfriends that are Polish, so the thing I've been listening to most is *How to Learn Polish*. Besides that, Jack Johnson, a mixed country CD, and Weezer's in there.

Do your sexual attitudes change once the cameras start rolling?

I have always been very much of an exhibitionist, so the whole thing turned me on. I really like the thought that people were watching me when I'm dancing, when I'm stripping, when I'm shooting, when I'm masturbating on camera; I've always just been really very turned on by that.

> I have always been very much of an exhibitionist, so the whole thing (porn) turned me on

Do you ever feel typecast as a Texan?

Yeah, yeah, it's OK, I like that. I do a lot of cowgirl type shoots.

Does your family know what you do for a living?

They did. My father and I have always had a very bad

relationship, so we didn't talk anyway. My mom knew, she wasn't happy with my choice at all, but we've already been really close, so she's stuck by my side anyway. So she supported me, even though she didn't like what I did.

If you could change one thing about yourself what would it be?
I'm kind of high-strung, I have tons of energy, so maybe be more of a mellow person without having to smoke pot.

What kind of stuff do you like to read?
I love Hemingway, I like *A Clockwork Orange*, anything Kesey, Kurt Vonnegut and I really like to read educational-type stuff. Next to my bed I have Hemingway, a Buddhism book and a self-help book.

What's your favorite non-porn movie?
Pulp Fiction.

If you could have dinner with anyone, living or dead, who would it be?
Ernest Hemingway.

If you won the lottery tomorrow, what's the first thing you'd do?
Put my money somewhere safe. I'd have a really protective safe deposit box or vault somewhere.

> I love oral sex more than sex. I really like giving oral to a girl and a guy.

What are your feelings on oral sex?
I love oral sex more than sex. I really like giving oral sex to a girl and a guy. To me, sex is sex, but there's more meaning in oral sex, like you can do it real slow and worship the person you're with. And receiving oral sex, I have the best orgasms that way, so of course I like it.

Any special techniques you use?
Variety is key. I like to go really, really slow. Worship the cock.

GINGER JOLIE

> Variety is the key. I like to go really, really slow. Worship the cock.

Do you have anal sex in your films?
I don't do films and I don't do it in my personal life, either.

Ever do a gangbang on film or in person?
I've had two threesomes in my life and that's it. No gangbangs.

What size cock do you prefer?
I don't know if I've ever measured. ..like eight inches?

Do you prefer men or women as sex partners?
Men! Women with men, but never women alone. I love to have a cock.

What is your favorite sex act?
I like teasing. And I like anything public or weird places or anything spontaneous. Like the other weekend I went to a party at this big house in Orange County and I ended up having sex with some guy in the bathroom. You could see through the door and, I don't know if people could see in or not, but someone came and banged on the door and we never finished. And it was just like that whole thing of like starting to have sex and then not finishing it, and then finishing it like seven hours later. It was really exciting to me.

What was the happiest day of your life and why?
Yeah. ..I don't know. That's a weird question.

What is the weirdest place you've ever had sex?
I had sex on a helicopter pad on top of a house, on a sandbar, where I actually got busted by a game warden (No, she didn't get a ticket), in a truck, public bathrooms. ..I like sex in weird places, so it's hard for me to remember. Oh, you know what? I had awesome oral sex in the elevator in the art center at school. And in the darkroom.

What does the future hold for you?
I'm going to school and majoring in broadcast journalism, so my ideal future would be to live in Newport Beach and be a reporter out in the field. And I want kids, but I don't know if I want to get married. I'm kind of against the whole marriage thing.

TERADISE ISLAND ANAL FEVER ⚡⚡⚡⚡⚡ (Vivid/Teravision)

Starring: Tera Patrick, Nikki Benz, Lucy Lee, Alexis Amore, Brittney Skye.

Exactly what we like in a porno—hot, sexy chicks, no plot, no dialogue, just go straight to the fucking. And yes, Tera does ANAL! Finally, our dreams have come true! Tera takes it in the butt and stars in this all-anal feature, beautifully shot in Hawaii in Hi-Def, which means you can almost imagine yourself being there with Tera, Lucy, Alexis, Nikki or Brittney at this exotic Pacific locale. Tera christens it Teradise Island and it's here where she and her girls get the anal fever. Tera and Lucy Lee scorch things up with an unbelievable lesbian scene till Spyder Jonez invades Tera's ass. Tera takes all the meat Spyder gives her, looking like a total pro while she's getting reamed. First rate performances all around, and visually speaking, this is one of the best shot, best-edited adult flicks we've seen in a long time. Whether you're a Tera Patrick fan or not, this is a DVD every true porn fan should have in their collection. Plus, with a cast of babes as gorgeous as this is one, featuring Tera performing the sex act we've waited years to see, you won't be able to keep your hands off yourself. This is a winner!

WHOREGASM (DVSX)

Starring: Lexi Bardot, Nicki Hunter, Georgia Peach, Trina Michaels, Staci Thorn, Julie Knight, Vixen Vogel, Jada Fire, Ariel X, Trinity Post, Kimberly Kane, Kami Andrews, Cindy Crawford.

Everyone knows real lesbians don't fuck the way they do in porno movies. But who cares, this is porno and we love watching girls going at it. *Whoregasm* stars a sexy looking cast of lesbo starlets probing their tight, nasty holes with an assortment of toys, tasting each other's sweet gooey juices, before becoming an all out dyke fuck fest. Stunning Lexi Bardot totally bitches out on sub Julie Knight before getting the hell pounded out of her. Lexi is the type of chick we wouldn't mind taking orders from. Lexi, keep on fucking! Kimberly Kane, Ariel X and Cindy Crawford are treated like bitches in heat, caged in—literally—before being let out to ream each other. Moans never sounded hotter. Speaking of moans, the best at screaming in ecstasy is one of our favorite nymphs, Nicki Hunter. Nicki is cool because she's got the brain of a guy with a slamming body, and fucks the shit out of cutie-with-a-big-bootie, Georgia Peach, and big boob superstar Trina Michaels. Nicki, as always, is in total control of this sexy threesome, even when she's getting pounded, barking orders, eating pussy, and sharing her twat with her girlfriends. How can anyone think girl-on-girl action is boring? *Whoregasm* is extreme lesbian sex with almost no limits—the kind of lezzie sex we wish really did go on!

DILLAN'S DAY OFF (Tightfit Productions)

Starring: Dillan Lauren, Hilary Scott, Lexi Love, Scott Nails, Rick Masters, John West.

Dillan Lauren is one of the hottest girls working in porn today. She looks a little like Vivid girl Cassidey, only she seems to have an even more voracious sexual appetite and a propensity for *shoving* things up her ass. The strength of Dillan's sexual performances alone are enough to carry this DVD. Fortunately for us she doesn't have to. Mega-hottie Hillary Scott also puts out in three scenes, and sexy Lexi Love shows up for a little orgy fun. The film opens with Dillan and Hillary double-teaming Scott Nails, draining him dry. Then Dillan hops in the shower where John West helps her scrub those hard-to-reach areas with his bloated meat wand. Hillary Scott takes over the next scene, riding some lucky dude's fuck-stick as she plunges a vibrator in her ass. The final scene is a massive orgy that will leave you breathless and drained of reproductive fluids. Don't let the title fool you—nobody's taking a day off here! *Dillan's Day Off* is a scorcher!

BRIANNA LOVE OVERSEXED (Red Light District)

Starring: Brianna Love, Holly Wellin, Katsumi, Michelle B, Nadia Styles, Carmella Bing, Cody Milo.

If there was an award for best looking cast, this DVD would win, hands down. Brianna Love leads a beautiful cast of porn honeys who are there to help fulfil Brianna's lusty desires—from showing Manuel Ferrara why girls fuck better than boys, to getting pounded and DP'ed by a couple of big cocks. Brianna Love may look innocent and charming, but she's really a freaky little devil with an incredibly sexual wild side. Lesbian scenes don't get raunchier than Brianna riding big-boobed Carmella Bing and Cody Milo. Brianna proves to Manuel she can fuck these two babes better than he or any man can. We don't care if we can, we totally dug watching Brianna titty fucking Carmella with her trusty strap-on. Brianna only gets to watch Manuel go at it with Nadia Styles and Michelle B, two gorgeous submissive babes who prove to Brianna nothing can replace real meat as it goes in deep in their tight spinchters. At least Brianna gets double poked at the end of this stellar flick, filled with pounding anal sex you won't wanna miss a single second of. Wow, we wished there were more dirty, slutty babes like Brianna Love, with a craving for both chicks and dicks. This is a fucking keeper!

DOIN' DA BUBBLE BUTT

(Black Ice)

Starring: Cherokee, Keymore Cash, America, Suckable, Jazmine Cashmere.

Damn, this DVD was filled with ASS! How they got this much ass in one DVD, we don't care, as long as these chocolate-skinned honeys open their backdoors for a deep anal reaming. Our hats off to the production and editing team; first rate job guys. Now the babes. Wow! Jazmine Cashmere has nothing but back, and a great set of jiggly cans. She just lets her man do whatever he wants—good girl. We love submissive big booty chicks like Jazmine. Another smokin' hot sista with an incredible body is America. We wanna be *In America! She* just rides that long Black cock she's given to play with, and takes all that meat up her super tight butthole. Come on over and ride us anytime, America! Eighteen-year-old Keymore Cash is all woman, taking all the pumping Brian Pumper gives to her. Is it wrong to still be thinking of Keymore? We think not, Keymore has a killer ass you'll be thinking of banging long after watching this one. Lots of ass, loads of anal sex—get your freak on with these bubble butts!

SEX SLAVES (Platinum X)

Starring: Naomi, Sasha Knox, Max, Cherrie Rose, Annette Schwarz, Liv Wylder, Aubrey Addams.

You guys can figure it out by the title and the boxcover what theme is being played out. Here's the deal— we don't mind seeing hot babes being dom/sub, in hot fetish outfits. But the problem is that if you're going to delve into that world, do it right, don't just say, "I think I'm going to direct a hot, fetish flick with tons of hot babes." We like the hot babe part but this DVD really just goes through the motions of BDSM. Jake Malone has directed hundreds of great flicks we've stroked it to and we loved the babes—Max, Cherrie Rose, Aubrey Addams, and the exotic wonderwoman with the perfect butt, Naomi—but the leather and props just didn't do it for us. However, the girls looked sexy, outstanding performances (once the fake, overly acted dom/sub stuff was out of the way), and lots and lots of ANAL! We love seeing girls getting dicked down in their rumps, especially when a chick has an ass like Naomi. Wow! Guys, rush out and get this one if for no other reason than to watch that incredible rump rumble with Manuel Ferrara's cock deep inside it. There's lots of hot moments in here, lots of great looking girls, but the whole fantasy world of dungeon love could've been done a whole lot better.

ARIA
BOOBS & LEATHER

Aria Giovanni is one of our favorite tit queens and a former Tart Of The Year, and wanted to come back "home" to CHERI to shoot a sexy new layout. Damn, did she look good! We had to dress her up in long, skin-tight leather boots, and a revealing black robe that shows off those massive cans. We had to see those melons, so we asked Aria to take it all off. Her body is still a work of art, perfectly sculpted ass, elegant curves, and nicely shaved pussy. She has no problem spreading those lips between her long legs, fingering her moist clit, and of course, squeezing those big round knockers. We were just mesmerized staring at those jugs, as Aria teased us, licking and sucking on her rock hard nipples. She was getting herself turned on, fingering her pussy harder, faster and deeper! We could tell by the sultry look on her face that Aria was about to cum, then she squirted all over the set. She crawled over the floor and began licking her sweet pussy juice with her long, silky, wet tongue. Aria, anytime you want to use us as a target, give us a call!
